## ***A PROJECT Becomes A MINISTRY***

Some 15 years ago a "project" was inaugurated to help provide Portuguese-speaking pastors and leaders with a small library of solid reformed books and theological conferences. It was rightly called the Adopt a Pastor Project. It began with a handful of pastors in Brazil, and today has become a worldwide ministry involving more than 450 men in eight different countries. The Project, by God's grace and your personal input with donations and prayers, has been so successful that we decided it was time for a name-change. This work is no longer *under construction*, a project in the making, but it has become a thriving ministry that is being used by God to bless hundreds of pastors and thousands of lives. Hence, the Project has truly become A MINISTRY, the Adopt a Pastor Ministry. For short we will continue to refer to it as the AAP (Adopt a Pastor), but recognizing it as a *ministry* of Editora Fiel (Fiel Publishing House), Brazil.

"I am sending this message with a big smile on my face--just received the books that you sent! I am grateful for them because they help me so much. I use them a lot in my own devotional life and they are very helpful for the lectures I give at the seminary."
