From the Director's Desk

Dear Adopt a Pastor sponsors,

Greetings in the name of our Lord! Thanks for helping us, help pastors. Fiel Publishing and the Adopt a Pastor Project continue to impact the church of our Lord Jesus Christ on four continents (South America, Africa, Europe and Asia). Portuguese-speaking pastors and leaders in these lands are receiving the books and other materials that are enhancing their abilities to teach Bible truths to their people. We give thanks to God for the opportunity to help these men, their families and their churches. And when I say "we," that includes **every sponsor and supporter of this ministry**. God is giving the increase as each one does his/her part in planting the seed and watering the ground. And the ground in some areas is proving to be very fertile.

Africa

A few days ago, three of us from Fiel returned from a brief trip to Mozambique, which borders South Africa. The main purpose of the trip was to make preparations for our upcoming Fiel Pastors and Leaders Conference, which will be held in July. We went to Maputo, the capital, where we held a meeting with about 50 current Project pastors and graduates (pastors who have completed three years in the Project). We told the pastors about the conference (which will be our first in the capital), gave books to active Project pastors, and presented certificates to the graduates.

Another purpose of the trip was to meet with the new interim administrator for the Adopt a Pastor Project in Mozambique, Pastor Martinho Paulo, and his wife Eva. He will serve in this position for 2012 as we look for the right person(s) to fill this important role. In fact, a Brazilian pastor, Claudio, who went with us on this trip is strongly considering moving to Maputo in 2013 with his wife and young child to take on this role. Pray for them as they seek the Lord's clear direction. Pray for us as we seek to

do the Lord's will, bringing honor and glory to Him!
