9 Marks Leadership module enrolls over 600 students!

Dear Friends,

Greetings from Brazil! We are thankful of what God has done and is doing through the FLC (FIEL Leadership courses.) In our first year, we have partnered with Marks and some of Brazil's best seminaries, in providing a credited course which we see helping pastors and leaders in their desire to have biblically sound churches. In our first two of Four modules, we have had our over 600 students taking the course. Most of which are taking it live over the internet. Professors have been 9Marks authors, as well as leading Brazilians who are supporters of the 9 Marks work. We are excited about this new FIEL ministry, and are looking forward to next year, when we will be offering four modules introducing systematic theology.

Since the initial class, some of these video classes, have been watched 10,000 times on YouTube! We are excited to see the Lord use these tools to bring to the forefront of our hearts and minds, what the bible so clearly teaches about the church. When I was recently in Mozambique, I was able to present this 28 hour course to a large assemblies of God seminary, which is wanting to offer this course to its theology students. Please pray that many other similar opportunities arise. We thank 9Marks for their support of this project! Pray also that if it be the Lords will,

we might be able to print 10,000 copies of the Portuguese 9Marks edition. This would dramatically lower cost, and give us several thousand for strategic donations.

Exciting Opportunity!

We are scheduled to travel to Mozambique on the 11th of July for our annual Pastors conference.

Access to internet is costly and difficult in Africa, thus we have created an 8 Gig hard drive packed with over 40 complete books, Audio books, 9Marks and other videos, thousands of articles, and much more. This hard drive doubles as the conference Name badge, which at the conclusion of the event, we will also add all the messages from the event.

For only \$ 6.00 each, you can help us place this content into many lives and ministries. We would love to make thousands of these!

was a tremendous honor to be able to challenge these leaders to humbly look for opportunities to partner with Christian leaders from emerging nations. The North American church is rich in its biblical heritage, and still has much to offer the "Global church" but the Lord is raising up some very capable leaders, which we can lean from, and together make the case for a global reformation. After all, the Lord did use a German Monk, Swiss minister, French lawyer, British King, Scottish revolutionary, and many others, to bring about what we call the great reformation.

I believe that if we are ever to see another reformation, it will surely come from and ethnically diverse church.

Kimberlie was also able to go up to the states and take part in the Gospel Coalition Women's conference! Thanks to a kind gift from TGC, she was able to attend, and also bring her mother, which has been battling breast cancer. It was a time of spiritual growth and renewal for both the girls. She hopes that someday we might be able to do a conference for women here in Brazil. There is nothing like that here!

Mom and Dad are such an encouragement to us. While dad is no longer able to walk, and speaks very little, and is of sound mind. He is and able to pray for us, and in doing so, is a tremendous encouragement to us! Mom is doing great, and is able to still move slowly on her own. They have around the clock nursing care in their home, as this gives them the best quality of life. Kimberlie and I are able to take the kids over often, and its precious to see little lilah jump up on his bed to snuggle with grandpa. That makes him so happy!

James & Lilah

James has been growing up to be such a sweet son. The other day when I was packing to leave for Africa, he gave me a picture he drew of me and him with tears in our eyes saying goodbye! He is soon to be 8.

Lilah is beginning her second semester of kindergarten. She has lots of energy and loves everything which is girly. She is our little princess. She looks up to her big brother, and is mommies shadow in the kitchen. She has just turned 5 this July.

* Please pray for Edvanio Sliva and his family as they are in Portugal, and preparing for the annual FIEL conference to take place this Sept.

* Please continue to pray for my parents, who are battling old age, and need our love and encouragement

* Please pray for the 9Marks modules that are to take place this year. Pr Mike McKinley is due to fly down this week to take part of the third module being filmed this Saturday.

* Please pray the FIEL conferences in 2012. Especially for the new conference in RIO this October. Like with any new opportunity, there are many costs and challenges where we need the Lords blessing.

*Continue to pray for mom and dad. They are in good spirits, but life is hard for them! Please pray for their nurses, some whom are not saved. Mom recently fell and is ok but still sore.

* We have hundreds of Brazilian pastors on the Adopt a Pastor project list. We need sponsors for these men!.

* Please pray for Kimberlie as she is 5 months pregnant, and needs strength in her everyday tasks.

*

We are thankful to the Lord for His goodness each day, as he gives us strength to press on! One day at time.
