a Pastor Project

Dear James,

Thank you for your interest and support of the Adopt a Pastor Project. The AAP is at the very heart of the FIEL ministry! We trust that the Lord will bring to our attention men who are called to lead, but lack resources and training. Please continue to pray that we might be able to serve these pastors. Through your continued partnership with the AAP, this is made possible.

In His Bonds,

Rick Denham

The Lord Opens a New Door in Angola!

André Pimão

After praying for some time for the Lord to open a new door for the APP to impact more pastors in Angola, one has opened! Several months ago we were given the name of a young evangelical pastor in Angola named **André Pimão**. His name came to us with high recommendations, and after a few contacts with him, we found him to be a very capable and trustworthy brother. We located a sponsor for him and included him in the Project. Shortly after his inclusion, he provided us with applications for **10 more good candidates** for the AAP.

We have since found sponsors for these men and all of them have begun receiving Fiel books for their pastoral libraries! We hope to include more pastors in Angola in the coming months and eventually have a Fiel leadership conference there, which we haven't been able to do for several years. Pray for these pastors and their

churches. May the true gospel of Jesus Christ be faithfully and mightily proclaimed in Angola!

Progress in the African islands of Cape Verde

Two Angolan pastors recently included in the AAP

Our Brazilian missionary helper in the islands of Cape Verde (green) held a meeting with several pastors and leaders last month to present the Adopt a Pastor Project.

He expected a handful of men to show up and he ended up with a room full!

We presently have five men in the AAP from there, but we look to increase this number soon--pray for many more!

If you sponsor a pastor in Mozambique, you may be able to hear a brief word of testimony from him in the video. Please pray for missionaries Karl Peterson and Charles Woodrow as they help with the AAP and Fiel conferences in Mozambique. Also, pray for a new missionary or missionary couple to assume the AAP work in Mozambique in 2012.
